Newsletter of Settlers Lifestyle Village

**26<sup>th</sup> November 2020**

## **Christmas**

The residents Christmas Dinner on the 9<sup>th</sup> December is fully subscribed and we are certainly looking forward to everyone having a great night. The kitchen team will obviously be very busy that day preparing for the evening so the café will be closed during the day on Wednesday 9<sup>th</sup> December.

The Fairview menu for Christmas Day is printed later in the newsletter, please remember you can book this at the Settlers reception between the 30<sup>th</sup> November and the 11<sup>th</sup> December at a cost of \$35.00 per person. We will issue you with a voucher which you can present on the day to Fairview, we will make the booking directly with them on your behalf. There is limited space so please do book early to secure your spot.

## **General**

We are currently installing an automatic door opener on the back door to the lodge by the bowling green, this should be completed on Friday this week. When this is operational you will see a 'touch to exit' button on the left-hand side of the door as you exit, which when used will automatically open the door.

On the outside will be a wireless keypad on the left hand side as you enter, which will again open the door when the code 2468# is used.

We are still working on the possibility of an automatic sensor on the outside for use during the day and will update further on this at a later stage.

On Friday this week we will have KRT Engineers working at the village conducting an external visual inspection of balconies from ground level. This will include the use of binoculars and telephoto lens to capture photos. Please be aware of this as we cannot give any timings around which buildings just that it could happen at any time this Friday 27<sup>th</sup> November.

We have installed rain sensors on our irrigation system which now permits us to use our system under the current water restrictions on gardens and sporting greens. Therefore, we can maintain the croquet lawn and the gardens where we have irrigation. However, at this stage it still does not allow us to use the irrigation system on lawned areas. If this does not change as we move into summer, we may see the lawns start to brown off.

We have been informed that there will be no changes to our refuse and recycling collections over the Christmas period.

## From the Sales Desk

Here we are nearly at the end of November and what a year it has been.

We have another happy couple who have just sold and so will be making their new home in Joseph 126 toward the end of January 2021. We wish them well as they begin to prepare for the move.

On a sad note, we send our thoughts to the family of Virginia Becroft who recently passed away. Virginia had hoped to move into her new home in Kaipatiki 143, so a very sad time indeed. This apartment will now be placed back on the market.

Market prices continue to rise it seems, particularly in Auckland which is not really that surprising any more. This sees more people considering going to market which means our lifestyle village living becomes an option for many.

**Candle Light – Remembrance Concert** - Sunday 6<sup>th</sup> December at 4.30pm in the movie theatre

This year we have decided on a relaxing DVD concert by Andrea Bocelli. For those wishing to stay, come along and enjoy a pizza and refreshment in the Lodge area afterwards. (\$8.00 for pizza and a drink).

Please see separate flyer in this edition and on the notice board for further details.

No need to book, please feel free to come along. Lexie Turner, will be assisting me at our gathering.

Enjoy your week ahead!

## Hello from the Nurses Niche

Hi everyone,

We're nearly officially on our way to Christmas and what a surprise I got when I arrived Monday morning and there was a long line of people waiting for reception to open to purchase tickets for this year's Christmas dinner. Wonderful to see such demand for what should be a great evening, and it looks like it will be a packed house. The Christmas tree will be up next week really signalling that the festive season has arrived.

Things are starting to get busy and each year the nurses see a rise in minor injuries. I think this is partly due to people getting caught up in the rush, cutting corners and losing focus. This can lead to increased trips and falls as well as people banging into things, often leading to cuts and bruises. This can happen to anyone but is also easily avoided. We need to slow down this Christmas and savour the moment.

Enjoy the festive vibe and the fact that we can get out and shop for all the Christmas gifts and deliciousness on offer. Many countries around the world won't have the same luxury this year, so make sure you're in perfect shape to enjoy it and stretch the days out. Don't forget to support local if you can which will help everyone to have a happy Christmas.

One issue I would like to raise is that over the past few months I have seen a number of people who have come off the treadmill in the gym and have consequently sustained similar types of injuries. A fall from a moving treadmill should never happen. Before you use this machine it is

important that you know how it works, how to start it, how to stop it and how to use the safety cut off clip. This must be attached to you at all times if you are on the treadmill. Treadmills are great for getting in some gentle exercise but they can also move very fast and trying to keep up with it while operating an unfamiliar machine is a recipe for disaster. If you want to use the treadmill or any of the exercise machines in the gym please make sure you have some training to keep yourself safe and contact some of the regular gym attendees or Precious who will support you to work out safely.

We had an unwelcome interruption on Wednesday evening when the fire alarm was activated in H block requiring evacuation. While there was a lot of people in the lodge thankfully it happened after dinner service. Reports from Lyn were how well it went and that the recent fire evacuation training had certainly been beneficial. Thankfully, it was not a fire and it may have been an insect in one of the smoke alarms. Well done everyone for a smooth evacuation. Take care at this busy time and enjoy the festivities yet to come.

**Sue, Lyn, Chris, Christine Lucy & Tina  
Nursing Team**

We look forward to welcoming you at Tui's Café. Hot lunches will be served on Tuesdays and Thursdays.

**Hair Salon**

I will be closing for my holiday break. My last day will be Thursday 24<sup>th</sup> December, and I will reopen for business in the New Year, on 13<sup>th</sup> January 2021.

It's been a challenging year hasn't it! I am looking forward to having some time off and spending quality time with my family. Thank you all for your patronage this year, I hope you enjoy your holidays and I look forward to seeing you in the New Year!

In the meantime we wish all of you a Merry Christmas and a great New Year – and listen out, there may be some choristers around the village closer to Christmas.

### **Friends and Neighbours**

With December just around the corner, thoughts turn to Christmas decorations once again. There is no Franklin Road display this year, but don't despair, we can do our own splendid show and bring some Christmas magic to our Lodge.

On the 1st of December, many large boxes will emerge from storage and the transformation begins. That is when the saying 'many hands make light work' seems particularly appropriate. The lights **WILL** work, and all of the decorations will be put in place so quickly with lots of willing helpers! Let the celebrations begin! See you on the 1st!

*Neighbourly Group*

### **Outdoor Bowls**

Last Monday 12 bowlers from Settlers went to Fairview to join teams from 5 other villages in a social tournament. The special attraction was the chance to play, once again, on Fairview's new carpet green. Competition was friendly but tough with none of our teams figuring in the first 3 places. Two strong combinations from Bert Sutcliffe emerged as the front runners. Settlers best performing team was Reg Kendall, Tony Whitehead and Gary Warren with 2 wins and a loss from their 3 games.

Thanks to Fairview, particularly to the organiser Audrey Ansell, for an enjoyable and well run tournament. Again – what a pleasure to play on that green!

### Jackets for Elephants

A Big Thank You to everyone who has shown interest in this project. There have been lots of questions and my friend Martha Louise is happy to come along to Settlers to explain everything.

She is planning to come along to meet up with everyone interested in learning more at the Craft Group meeting on Thursday 10<sup>th</sup> December at 10 am. It should be very interesting so do come along whether or not you are a knitter

Martha Louise has been involved with the Elephant Nature Park, Chiang Mai in Thailand for many years and is hoping to visit again when she can. Sri Muan is the largest elephant at the Park and is seen here wearing the blanket she sent over earlier this year 🐘❤️🐘❤️

Our talented photography group recently had their last session of 2020. In honour of their group leader Judy Hodge, John Morris has written a poem for her.

## SAY CHEESE PLEASE...FOR JUDY HODGE

Our last photo session showed our finesse  
And Judy, our mentor, has called a recess  
Without Judy's patience and extreme expertise  
We'd lose our momentum to take pictures that please

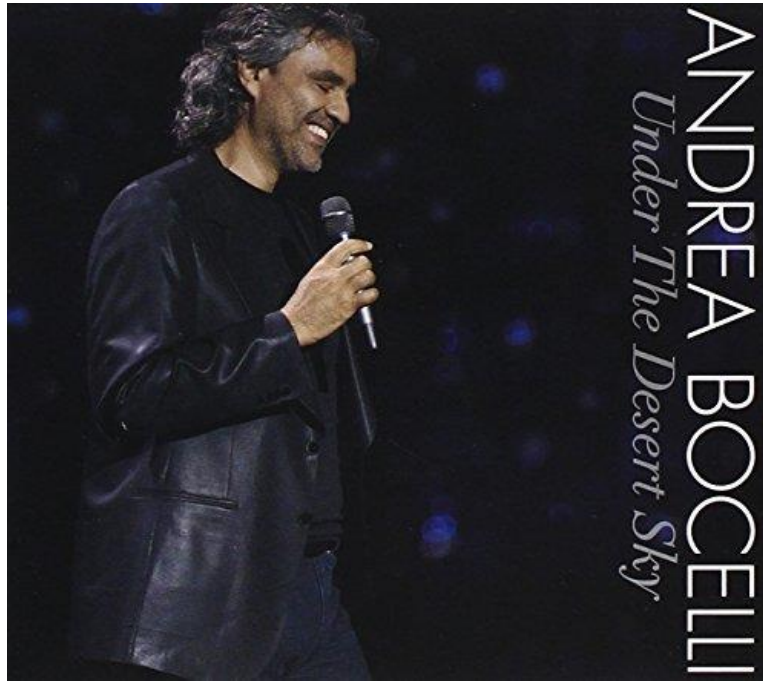

As well, she decides what goes on the wall  
Arranges the prints to be seen by us all  
If one thinks that this is an easy transition  
Try putting yourself in Judy's position  
Mentor, critic, appraiser and more  
Judy brings latent talent right up to the fore

BUT...when we take photos with the lens on the ground  
We can't pick it up again until we are found!  
So if you think photography is just "point and shoot"  
Learn, as we did, there's no easy route.

*The photography group will resume in late January 2020, people of all skill levels welcome!*
