Work on the bund between the motorway and the western boundary of the village

Ashdown Landscapes completed the outstanding spraying last week. Today and tomorrow, on 30th & 31st March, our contractor will carry on with vegetation clearance works. Once completed, Mulch Man will then come back to mulch the last 50m of bund on 5th April.

Staff updates

Congratulations to Ellen, our Head Housekeeper for winning the 'Employee of the Month' in March. Ellen always goes the extra mile and her hard work and leadership are noticeable by all. Thank you to all the residents who took the time to contact us and vote for staff. Each feedback was printed on a card and given to the staff member or team.

Farewell to our Chef Lucky and our Gardener Ben who will be both finishing at Fairview next week on Thursday 6th April. They have both been great additions to the Village and their contributions to our team were significant. Thank you to them and we wish them all the best in their new adventures.

POSTPONED - Brain Health Presentation by Benjamin Friday 31st March

Unfortunately, we had to cancel Benjamin's presentation on Brain Awareness. It is postponed to Friday 14th April at 2.30pm in the Lounge.

Influenza vaccination Thursday 13th April

Benjamin has organized for Nurse Sharon & Dr Paul to administer flu vaccines on Thursday 13th of April 2023 from 2pm till 3.45pm in the Lodge.

Butterflies' beginnings Monday 17th April

Butterflies are a symbol of hope and joy, and perhaps they cast our minds back to simpler times. However, their numbers are in decline in New Zealand and they need our help.

We are excited to invite you to come and meet the "Butterfly Lady," Jacqui Knight, of the Moths and Butterflies of New Zealand Trust. She will be visiting the village to share some of her knowledge from almost 40 years of dedication to their protection. Jacqui would love to meet you all and hear about your memories of butterflies – all special reasons why we must ensure their conservation for future generations.

She will be visiting on Monday 17th April in the Lodge. Please RSVP at reception. A light afternoon tea will be served, biscuits, tea, coffee.

You can also read more about the Trust here: <https://www.nzbutterflies.org.nz/>

Northern Corridor Improvements

The 2km direct link and underpass connecting SH1 to SH18, marking the completion of the Western Ring Route (WRR) on Auckland's North Shore opened on Monday 20 March. This new stretch of road provides a resilient alternative for travel through Auckland and connects the north with western and southern regions.

SH1 Nightworks Notifications

Nightworks are scheduled to be working near us on SH1 Northern Motorway, Tuesday 4 and Wednesday 5 April. Hours of work are typically between 8pm and 5am. If they are delayed by weather or unforeseen circumstances, work will roll to the next night.

They are laying the final layer of OGPA (open graded porous asphalt) at the northern extent of our project. These works must be carried out at night to reduce the impact and delays on daytime traffic. These are the last two asphalt shifts in our area.

Work has been carefully planned to keep disruption to a minimum; however, there will be some noise, heavy machinery and trucks moving. Road closures will be in place with detours signposted.

Have a good weekend everyone!

Nurses' Corner

Dear Residents,

It is with great sadness that I must confess I have come down with the dreaded lurgy that is COVID-19. I will be back to work next Tuesday. Both Maia and I are doing fine, Duckie our dog is missing going to his doggy day care, but he is content and receiving lots of pats, cuddles and treats.

This does also mean that unfortunately the presentation which I had planned for tomorrow at 2.30pm will have to be postponed to the 14th of April 2023 at 2.30pm. RSVP to Cherie for the promised scones with cream and jam.

On the 21st of April 2023 at 11am we will also be having the wonderful team from Specsavers coming in to talk to us about protecting our ear and eye health so come along if you're interested in finding ways to protect your eyesight and ears going into the future!

Winifred Henderson is Community Development Manager and Educator at Dementia Auckland. She has agreed to come in and give a one-and-a-half-hour presentation on Dementia for our Residents on Monday the 8th of May 2023.

Influenza season is soon upon us, so we have organised for Nurse Sharon & Dr Paul to come in and administer our flu vaccines this year on the **13th of April 2023 from 2pm till 3.45pm**. We will be doing the injections on the day in alphabetical order by Surname. There are two different options available when considering the yearly influenza shot, firstly is the government funded for over 65's also known as the Afluria Quad which is free, secondly there is the Fluvad Quad which offers more protection. Last day for signing up for the non-funded injection is the 5th of April 2023, it costs \$45.00 and is paid on the day. If you are unable to get it on the 13th of April, you also have the option to receive it from your GP. **Thank you to those of you who have already signed the consent forms. It's still not too late! Feel free to grab a consent form from reception, sign it and hand it back into the nurses' station to secure your spot!**

Gardening Update

Hello Everyone,

After a very busy first month, I thought it was time to write a little hello and give you an update about all the activities that the boys and I have been up to.

As most of you know, we have been very busy at the front gate. In previous years, this area has been our annual flower bed, but it was time for a change! We wanted to create a WOW entrance garden to greet all residents and visitors to Fairview. I know we had some confused looks at the start when we only had our 60-year-old pine railway sleepers in, while people tried to envision the end result. We have just completed our final stage of the design with our drip line irrigation system to water our little plant babies, and a nice thick layer of decorative bark to hide our irrigation and suppress weeds. Big thanks to the croquet players who were very patient with us working alongside the green whilst getting the irrigation sorted. It's an ongoing process but the end is in sight!

This week, you would have seen Dave, Hugh and Isaac working hard down Margaret Drive weeding away around our palms and front gardens. Weeding everyday isn't the nicest of jobs, so it's greatly appreciated, and it looks great! Once we get to the end of Margaret Drive, we will then move down each road to start weeding the fronts of gardens starting from Ash and finishing at Poppy.

Throughout today and tomorrow, we will also be following along behind the team with spray. Signs will be placed at the front of the village alerting visitors that spraying is in process. Staff spraying will be wearing PPE so we might look a little scary with our masks on, but it's just to protect ourselves.

Next week is shaping up to be another busy week for the gardening department. We have Ashdown Landscapes here for the next few days clearing debris of the Motorway Bund and going into next week, Mulch man is here on Wednesday 5/04/2023 and will be spraying the bund towards the far end of the village. Because of this we do ask that we keep the below roads clear of cars and ask for your patience throughout the day while the large trucks are here. **Dahlia Drive, Elm Haven, Fuchsia Lane, Gardenia Grove, Hibiscus Crescent: Access may be limited throughout the day in and out of these roads.**

It has been all systems go for the boys and I over the last month and I'm very grateful that they have been patient with me while I get new systems in place and change a few things around. I'm currently working on rotations so that all residents will be able to get hedge trimming, spraying, weeding, pruning done on a more regular basis and there will be minimal need for maintenance requests.

We are currently facing a very large backlog of maintenance requests that we are chipping away at while still completing our weekly tasks and duties. For the next few weeks, it would be a huge help if we refrain from submitting maintenance requests unless it's emergency work. We are doing our very best to get systems underway as soon as possible.

Within the next few weeks, there will be an update of all scheduled work so that each Villa/Area will get looked after and we hope that everyone here at Fairview will be able to see when and where jobs will be completed and to what timeframe.

Unfortunately, we will say goodbye to Ben next Thursday 6th April. Ben has been a huge asset to the gardening team and will be very missed by myself and the team. We are currently hiring to fill the position and interviews are ongoing.

Thank you to everyone who's stopped to say Hello and introduce themselves to me. Everyone has made me feel very welcome and it's really helped me settle in, especial café staff...! Thanks for fueling me on coffee!!

Cait, Head Gardener

From the Chef's oven

Hi everyone!

Staff Update

Farewell and see you later Lucky! Please pop in and say good luck to our Chef Lucky with his new adventure. We will miss you here at Relish Cafe. He is a reliable Chef and always brings joy to the team and residents. All the best and thank you for all your work at Fairview.

Feedback Winner

Thank you to Judith Jetten for your feedback and we will make sure to do your favourite dinner meal in the future.

What's new at Relish Café

We are updating our Café Menu to include more variety. Some of the new menu options will be: a Fisherman's plate, a vegan breakfast (DF), creamy mushrooms on toast, chicken and bacon salad (GF/DF), and more. The new Café Menu will start on Saturday 1st April.

Also, you will notice that we are now offering 3 dinner menus per night. As well as our standard weekly dinner menu, where the evening meal is different every night, you can now also order fish pie \$17 or beef lasagna \$15. Both options will be available every night.

Dinner deliveries are from 5.30pm.

Last week's Dinner

Last week, we catered for Pat and Arthur's Line Dancing Group. They loved our Spaghetti Bolognese with garlic bread – it was Pat's recipe, executed by Relish Cafe Chefs.

Cheers, Chef Noris & the Relish Café team

Friday Night Raffle – 24 March 2023

Happy Hour is certainly a happy sounding time which is highlighted by the noise of the 'boys' when one of them wins the raffle. Come on girls don't let the boys make all the noise.

This week Priscilla Page did our dwelling draw, thank you Priscilla and the winner was Colleen Leonard.

Luella Jacobson came and rolled the balls for our raffle, and the winners were:

Don Gibbs, Neville Turner, Ruth Duxfield, Clark Robbie, Ivy Mann, Trish Maunsell, Sue Rudling, Barrie Flint, Yvonne Keir, Jill Draper, Brian Dalbeth, Bev Barnes, Alastair Glyn-Jones, Judy Walker and Heather Petchell.

Congratulations to all our winners some of whom were particularly lucky.

Next week (31st March) will be my last day doing the raffle, something I have thoroughly enjoyed. Ray Barrett is also stepping down from his role as financial advisor. However, I am sure the raffle is in good hands with Diane and Warren Brown taking over and of course Len on the microphone as usual.

The one thing I would ask, again, please try to remember to wear your name badges. It is impossible to remember everyone's name and Diane has not been in the village that long, which means she is still putting names to faces.

QUIZ NIGHT -- Sunday 26 March 2023

The second Quiz Night of the 2023 season was on Sunday 26 March with 33 quizzers taking part.

The Mixed Nuts continued their dominance, coming first with 53 points out of a possible 70. The new team **The Secret Squirrels** climbed up the leader board coming second with 50 points. **The Iris Watchers** were third with 49, while **The Palms** earned the right to choose a topic for next month by coming in fourth with 47. It was an enjoyable and close contest throughout the evening with plenty of laughs.

We await The Palms choice of topic for April Quiz Night on the 30th. April has five Sundays.

The first question is asked at 7.00pm and quizzers are home by 8.45, so why not give it a go? You can expect an entertaining evening of fun and laughter.

There is room for further teams, so come and join your fellow "inmates" and enjoy Quiz Night at 6.45pm Sunday 30 April. It is great fun! Ideal team size is 6 – 8 members and extended family members are welcome to bolster your team if required.

If you don't wish to form a team, we can always find you a place in an existing one.

Questions vary from very simple to almost impossible but entertainment and fun are the order of the evening.

Sample questions from the March Quiz:

What was the Italian Dictator Mussolini's given name?

What was Bob Hope's theme song?

Tony Stanaway

Apartment Gardens

Well, the thick mulching of the garden area is nearly complete, thanks to Marika and Cait's help getting the mulch up to the area. Sadly, Lesley had to rescue her rhubarb & parsley quickly though as the dump went too close to her plot. This mulch is more necessary than ever as Arthur has been really playing up. Just in case anyone else is in similar circumstances, if you don't have insurance (like me) then there are over 70,000 knee ops ahead of you. But then if you decide to go private, there is a 2-month's waiting list to see a Specialist, then you will probably be operated on before Christmas. Hence my keenness for the mulch to restrict the weeds. Gerald and Dennise have helped me distribute the mulch, thank you.

I notice I have omitted bay leaves being available from my garden lately so do help yourself. The tree is in a large pot by the 3 chairs, take as much as you like - pruning is good! One of my Rosemary bushes had to be pulled out, for some reason it just started turning up its toes - perhaps in sympathy with me. But there are still some small bushes ready for picking. Mint has suffered with rust and weather but I'll give it a good crewcut & water & it should bounce back ready for the lamb meals. Chives, parsley, thyme & sage are there for the chicken dinners instead.

Anyone in the Apartments wanting a plot, please phone me: Barbara Bailey 027-416-8945

Messages from the Library Committee

Borrowing books from Fairview Library

Just an important reminder for when you return books to our library after borrowing, that you sign the column for your date of return. We are looking for some missing books and this is the only way we can keep tabs on them. If you turn to the back of the book you are borrowing, you should enter the page and line number so you will know where to look when signing your return in the "sign out" register. If you are not sure what to do, please ask Natalie Turner she will be only too happy to show you.

Thank you for your understanding and please continue to enjoy your well stocked library which the library committee are so proud to supply with the latest new books each month.

Jill Draper/library committee.

Please help yourself to any of the books, laid out on the desk in the library, as these books are not wanted.

Missing Book

We are missing a Non-fiction book from the Library - Dead Wake by Erik Larson (The Last Crossing of the Lusitania). If you have this book, and have finished reading it, would you kindly return it to the Library.

Gareth's Puzzle

Last week's puzzle asked what comes fourth in the sequence and why?

, ##### , ??????????

Well you had to be somewhat sharp to get this one. The answer is ## and the reason is these are the number of sharps in the musical scales of A major (three sharps), B major (five sharps), C major (no sharps) and D major with two sharps.

This week's puzzle is what links these four and why?

E=And, K=What, L=He and C= Yes

Might be easier? Gareth
