Good afternoon Fairview

It's good to be back - again! The Retirement Village Association Annual Conference was very interesting last week, and we listened to excellent speakers on all sorts of topics, from the use of artificial intelligence in retirement villages to our current and future society demography.

We have many events coming up, it's nice to see the Village busy with fun happenings!

Welcome to new resident

Please join me in welcoming Maureen Capon to Fairview, who moved into Apartment 438 last week. We hope you will be enjoying the Village as much as we all do!

Fundraising for Cancer Society Daffodil Day Wednesday 30th August

Cancer Society Daffodil Day is on Friday 25th August so we will sell yummy cupcakes on that day in our Relish Café for \$3. Half the sale proceeds will go to the Cancer Society.

As we have our big themed night the day before, we will be hosting a fundraiser event the following week on Wednesday 30th August from 2pm. Be prepared for an afternoon of laughter with our own Benjamin being a "Quizmaster" for the occasion. More details to follow very soon!

Voting for a Staff of the Month

If you want to let us know about a staff member who has gone above and beyond for you or that you have witnessed their hard work, please let us know. Our next staff meeting is on Wednesday 30th August. As technology was discussed at the Conference, Benjamin and I thought to introduce a new way for you to vote for the Employee of the Month with this QR code.

What is a QR code?

It is a quick-response code, a type of two-dimensional matrix barcode that can be read easily by a digital device and which stores information.

How do you scan a QR code on your smart phone?

- Open the Camera app on your phone.
- Hold your phone steady and point it towards the QR code.
- Wait for your phone to recognize the code, you will see a notification pop up on your screen.
- Tap on the notification to open the link associated with this QR code.
- Complete the short questionnaire with your name (you can write "Confidential" if you prefer), the employee's name and the reason why you vote for them.

Happy Birthday to our Staff

Happy birthday to Tony, our Maintenance person on Tuesday 22nd August and to Seamus, our new gardener on Friday 25th August.

Have a lovely weekend everyone!

Nurses' corner

Hello Everyone,

Welcome back to another edition of our Nurses Corner.

I have been approached by a few of our residents regarding the governments' recent removal of the COVID-19 legislation and what we should now be doing. If you have tested positive for COVID-19, **we recommend you isolate for 5 days, even if you only have mild symptoms, starting at Day 0.**

Day 0 is the day your symptoms started or when you tested positive, whichever came first. If you do need to leave your home during your 5-day recommended isolation period, it is very important you take precautions to prevent spreading COVID-19 to others. You should wear a mask whenever you leave the house.

You should not:

- visit a healthcare facility (except to access medical care).
- visit an aged residential care facility (i.e. Fairview Care).
- have contact with anyone at risk of getting seriously unwell with COVID-19.

If you live in an apartment or multi-unit dwelling, you should follow the same isolation advice, including:

- wear a mask in communal areas if you need to leave your apartment, for example, using a shared laundry.
- physically distance from others in the apartment building.
- not use the lift with anyone else.
- not use shared areas such as gyms, pools or saunas while you are isolating.

You can use your balcony, and we encourage you to have the external doors open to allow air circulation into the unit.

In case of emergency, you should follow normal evacuation protocols — have a mask by your door ready to go in case.

If there are any concerns, as always feel free to get in touch with me and I will hopefully be able to clarify.

New 'Dancercise' Class: We are delighted to announce the introduction of a new 'Dancercise' class, led by the wonderful Libby from Albany Stadium. Starting on Thursday, August 24th, 2023, at 10:45 am, this class will take place weekly and run for 45 minutes. Partially subsidized by our Residents Committee, the remaining cost is just \$5.00 per person. We anticipate this fun addition to our existing classes will attract a fantastic turnout!

"Adopt a Grandparent" Initiative: We're exploring a new collaboration with Albany Primary School, initially called "Adopt a Grandparent." This unique program will allow selected children, who might lack engagement with older generations, to 'adopt' a grandparent. They'll be able to develop their reading skills and build a meaningful relationship. This promises to be a wonderful way to positively impact our future generations, and it may also benefit our Residents. If you are interested, please contact me directly.

Dental Hygienist Visit: WM Dental, whom I've mentioned before, is interested in sending a Dental Hygienist to Fairview Lifestyle Village for cleanings. We're targeting Tuesday, November 28th, 2023, for their first visit. The cost to Residents will be \$180.00. If you are interested in this service, please reach out to me directly and I will book you in once we sort.

 **MOBILE

Recipe of the month - Steak on Skewers

Back home in the Philippines, this is how we normally eat our steak, on skewers! It's a BBQ style cut of sirloin steak (cubes), served on a skewer and alternating with your favourite vegetable, which we serve over rice. You can easily substitute the rice with roasted vegetables and potatoes. I have used courgettes and onions for this recipe, served on a bed of pilaf rice. And best of all, it's very easy to prepare. I love to cook my steak medium rare.

To make the skewers, you'll need:

500 grams sirloin – cut in cubes

Slices of courgettes and onions – to your liking

Marinate the meat with Lea Perins, crushed garlic, salt, pepper and a pinch of rosemary

To make the rice pilaf, you'll need:

2 cups basmati rice

4 cups water

2 tbsp olive oil

1 tbsp paprika

1 tsp turmeric

1 cup mixed frozen vegetables

Cook your rice with a rice cooker.

Cheers

Gareth's Puzzle

Last week's puzzle asked what comes next? That place, this place, before, ??????????.

And the answer is about or concerning. That place is there, this place is here, before is ere - with the first letter being omitted each time. So, taking off the first letter again gives us re meaning about or concerning as in an email.

This week's puzzle is: what do these four items have in common? A raging bull's testicle, Juliet's right breast, John Harvard's left shoe, Abraham Lincoln's nose

Good luck.

Laughter Lines

One Liners:

1. I'd give my right arm to be a concert pianist.
2. My room is so cold, every time I open the door the light comes on.
3. Guest Speaker at a Rotary Conference, "I have noticed an odd coincidence; there are five hundreds of us here tonight and we have all ordered the same meal."
4. A Bridegroom is one who is amazed at the outcome of what he thought was a mild flirtation..
5. Queenslanders drink "XXXX" because it is the only beer they can spell.
6. She said, one more word and she would go back to her mother. He roared, "Taxi!"

Three prisoners were sentenced to twenty years behind bars. Each was allowed one item to keep in their cells. The first prisoner asked for a pile of law books. The second prisoner asks for his wife. The third prisoner asks for 200 cigarettes. After twenty years they are all released. The first says, "Thank God for those books. I have now passed all my law exams and can practice as a highly paid lawyer." The second says, "Thank God for my wife. How I have five children and a settled family life to look forward to. The third prisoner says, "Anyone got a match?"

A small boy complains to his mother that his new trainers hurt his feet. "You've got them on the wrong feet darling," says his mother. "But these are the only feet I've got, mummy," the young lad replies.

After years in a high security jail Pat devised a way to communicate with his mate Mick. It was an ingenious ploy using a secret code to tap out messages on pipes. However, the scheme was eventually thwarted when they were transferred to separate cells.

She answered the telephone to hear a very repentant voice. "I'm sorry darling," he said. I have thought it over and decided that you can have the Rolls as a wedding present, we will move to the Gold Coast immediately, and, okay, your mother can come with us, as well, your personal spending money will be \$5,000 a month. Will you marry me?" "Of course, I will," she said, "Who's speaking?"

It was Saturday and the traffic cop signaled the bloke driving the horse float to pull over. "What's your hurry?" he said. The Trainer looked at his watch. I have to be at the track for the first race at 1.30." he said. The cop did a slow navigation of the vehicles, looked in the float, and finally re-appeared at the driver's window. "You've got no horses on board," he said. "I know, I know," said the trainer. I'm taking the non-starters aren't I!"

Trivia:

1. The teeth of a rabbit never stop growing. 2. Dolphins jump out of the water to conserve energy. It is easier to move through the air than through the water. 3. The bark of the redwood tree is fire-proof. Fires in redwood forests take place inside the tree. 4. There are 22 bones in the adult human skull. 5. "*The Adventures of Tom Sawyer*," written by Mark Twain, was the first novel ever to be written using a typewriter.

Daffy Definitions: **AVAIL** headscarf worn by brides. **ACME**, pimples on the face. **ARROWMATIC**, an automatic long bow. **ALIMONY**, the amount paid to see Cassius Clay box.

And finally: Money can't buy friends, but you can get a better class of enemy. *Spike Milligan.*

COTTON TREE AT MAROOCHYDORE

The sound of the waves and the smell of the sea,
The warmth of the sun beats down onto me.
With sparkling waters, waves crash to the shore,
While surfers wait patiently, looking for more.

People out laughing and all having fun,
Swimming or sunbathing out in the sun.
Golden sands and trees line the shore,
With a gentle breeze blowing at Maroochydore.

Quick as a flash the next day turned grey,
A nasty storm had approached this way.
The beach was desolate, people stayed away,
The beautiful sunshine had not come today.

Next morning we woke to the sound of the sea,
People back surfing and laughing with glee.
The birds were all singing a sweet melody,
To welcome the sun back to Cotton Tree.

SUMMARY OF DECISIONS MADE AT RESIDENTS' COMMITTEE MEETING AUGUST 2023

To assist residents to be informed of decisions made by the Residents' Committee, below is a summary of matters following our meeting of the 8th August 2023. Full minutes will be available in the library following the confirmation of the minutes at the next monthly meeting.

PRESENT: Alastair Glyn-Jones (Chair), Andra Glyn-Jones, Wendy Johnstone, Mark Jennins, Alison Leadley, Barbara Bailey, Gordon Tasker, Averil Denvers

APOLOGIES: Angela Woolnough, Terry Middlemost, Marika Laflamme

FINANCIAL POSITION

The balance in the account as at 7 August 2023 is \$1,835.05. The amount on fixed deposit is \$10,000.

GENERAL

The committee discussed the following safety issues.

- The apartment garden path has uneven parts (trip hazards) that need repainting.
- Two lights were not working.
- Yellow lines (no parking) are needed opposite the entrance to the lodge car park and more lines are needed opposite the entrance to Olive Grove and Poppy Vale.

These matters will be reported to management.

New residents: As a number of new residents have arrived, it was thought a new telephone directory was needed. The suggestion was made to date it and all agreed. This matter is to be discussed with Cherie.

Everyone agreed that a welcome gathering for newcomers was needed as well. Another suggestion was to introduce incoming residents in the newsletter, together with a photo, telephone contact and street name and number.

Food scraps recycle: A suggestion was made that the Auckland City provide green bins for all residents in the village. This matter was strongly debated and it was agreed that the proposal could work if the Auckland City Council would be prepared to pick up green bins from the village. This will be followed up.

Committee members were pleased to hear of the new exercise class due to start on the 24th August, which they had agreed to subsidise at the July meeting.

The next meeting will be on 12th September at 10.00 am.
