From the Manager's Desk

Good afternoon everyone!

Our Father's Day Special Lunch last Sunday was popular, and the Café was busy. Hope you also had lovely celebrations with your families.

Welcome to our new residents

Please join me in welcoming our new residents who moved in this week, Graeme & Louise Pullar in Villa 17, and Sandy Watson & Roy Archer in Villa 130. We hope you will enjoy the village and our community as much as we all do!

Relish Café Dinner Ordering & Payments

Thank you for your understanding and helping us with the late orders and the payments in the Café. We have seen a difference following our message in last week's newsletter. Below was the message for those who might have missed reading it.

In the recent weeks, we have had dinner orders past our cut off time of 1pm. We always aim at satisfying our residents by being flexible with late orders, but this has become more frequent and putting pressure on the Café team to produce the meals in a timely manner and with the same quality. Also, we understand that at times, residents may have forgot their cash or debit card to pay for their orders. Again, we have been flexible with allowing some residents to pay the day after on good faith, but this has become more frequent and is challenging for the team to manage and keep track. We will be asking residents to pay when the order is placed or alternatively, you will be offered to charge your order to your account.

Pool

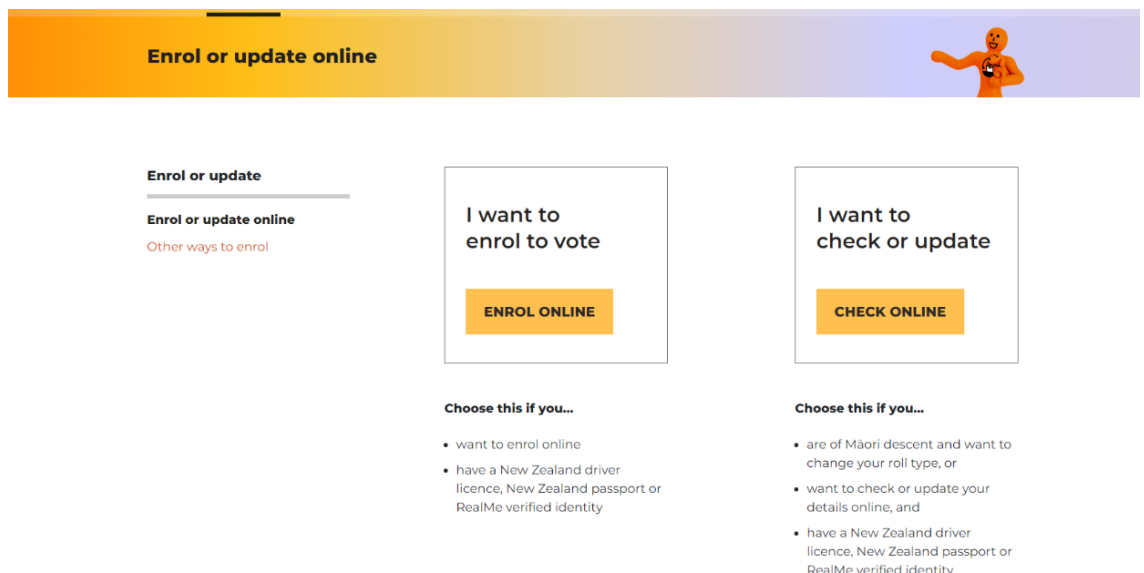

Following residents' feedback, we have improved our Pool area by adding some furniture and pops of colourful items. Hope you are enjoying the "fresh" space!

Annual General Meeting Monday 25th September

Save the date, our Annual General Meeting will be on Monday 25th September at 10am. We will be distributing the AGM packs next week.

Elections at Fairview Tuesday 3rd October

The Election team will be here on Tuesday 3rd October from 1pm to 4pm in the Games Room for any Fairview residents who would like to vote. Should you wish to vote and have not received a voting acknowledgement, please go online and update your information.

Inorganic Rubbish Collection 23rd to 27th October

The village will be having an Inorganic Rubbish Collection on the week of 23rd to 27th October. Waste Management will be collecting items from the designated collection point. We will provide more information on where and when you can start bringing your rubbish as we get closer to the date.

Market Day Thursday 23rd November

Save the date! Our annual Market Day will be on Thursday 23rd November. If you would like to have stall or know someone who would be interested in selling their products at our Market, please contact Diana or pop in at the weekend to see her at reception.

Christmas' Project for December

Christmas is coming in just over 3 months. Yes already! For the occasion, we would like to throw a fun idea around! What about having a little competition with the best decorated apartment door in the Lodge and the best decorated mailbox for villas? There would be a nice prize for the 2 winners of course! We could circulate photos of the participants' work and residents would be able to vote. If you are interested in participating in this project, please let us know of your interest.

Events coming up...

- ***September's birthday Morning Tea Friday 15th September 10am***

Every month, on the 2nd Friday, I will host a morning tea to celebrate residents' birthdays of that month. Cherie will contact you in advance to confirm your presence. The first event will be on Friday 15th September at 10am. Looking forward to celebrating with you.

- ***Welcome to new residents Happy Hour Friday 15th September***

We will be hosting a similar fundraising breakfast to our Breast Cancer Foundation event, but this time it will be for Blue September in honour of the Prostate Cancer Foundation. A \$20 breakfast (including a \$5 donation) will be served at 10.30 on Thursday 21st September. Please book and pay at reception. We are looking for residents who would like to organise the raffle prizes or speakers, please contact Cherie.

- ***Scottish Dinner Thursday 5th October***

Fairview Social Committee is planning a great evening for you all, please book at reception.

- ***Fundraising for Cancer Society Daffodil Day Wednesday 11th October 2pm***

We are sorry we had to cancel our afternoon Quiz earlier this week but following feedback, we have decided to postpone this event to Wednesday 11th October 2pm, giving residents

enough notice to organise teams. Be prepared for an afternoon of laughter with our own Benjamin being a "Quizmaster" for the occasion. The platters will be served at 3pm during the break and perfect for an afternoon tea. Read about the details of the event at the end of this newsletter. RSVP and payment at reception please.

Enjoy the sunny weekend ahead!

Nurses' corner

Hello Everyone,

Welcome back to another week of the Nurses' Corner. I'll be taking Friday 8th of September off to get my Wisdom teeth removed, so if I'm talking weird next week, that will likely be why. I'm hoping everyone is keeping well out there with this weather which is very up and down at the moment!

Health & Wellbeing Tip of the Week:

Did you know that laughter is often dubbed the 'best medicine'? Not only does it lift your spirits, but it also boosts the immune system, reduces stress hormones, and can act as a natural painkiller. So, share a joke, watch a comedy, or simply reminisce over old, funny memories.

Dancercise with Libby:

Thank you to those who keep turning out! She will be back in again this Thursday for a 1045am start. This is a similar style class that focuses on building up strength, balance, & coordination, all of which are key to maintaining your overall wellbeing. Partially subsidized by our Residents Committee, the remaining cost is just \$5.00 per person.

"Adopt a Grandparent" Initiative:

We're exploring a new collaboration with Albany Primary School, initially called "Adopt a Grandparent." The program's essence lies in bridging the generational gap by allowing certain children, especially those missing connections with the elderly, to 'adopt' a grandparent from our village. This presents a dual opportunity – for the kids to enhance their reading skills and for our residents to form a bond with the younger generation. This isn't just about reading; it's about creating lasting memories and connections. If this sounds like something you'd be keen on, please do get in touch.

Dental Hygienist Visit:

WM Dental, whom I've mentioned before, is interested in sending a Dental Hygienist to Fairview Lifestyle Village for cleanings. We're targeting Tuesday, November 28th, 2023, for their first visit. The cost to Residents will be \$180.00. If you are interested in this service, please reach out to me directly and I will book you in once we sort.

Meet our Staff

Meet Jomari! He is our new kitchen assistant who started with us last week. He loves sports, particularly Badminton, and other outdoor games. He works at the back of the kitchen, keeping Relish Café in tiptop condition, clean and tidy. Please come and say hi, he is still a bit shy! Welcome to Fairview Jomari.

Last week's events

Check out our last Sunday Fathers' Day event. Thank you all and hope everyone enjoyed our Sunday lunch roast.

Dinner menu and alternative frozen meals

Thank you all for coming early to pay and book your dinner meals early. It helps us to plan and know how many dinner meals to prepare. Cut off time is 1pm.

Our weekly dinner menu is always placed at the end of the newsletter, which also details our alternative Frozen meals available for that week. We offer roast meals on Wednesdays and Sundays. For this week, we added Gluten Free Smoked Fish Pie and Beef Bourguignon as our frozen meal alternatives. Better be quick, it won't last.

Group events & Party Bookings

Relish Café can always cater for all types of occasions, whether it is for a small group, birthday party, anniversary and even just a simple get together. Have a look at the Line Dancers' Group Long Lunch, beef lasagna with garlic bread and side green salad.

BINGO

Bingo is a lot of fun,
With lots of money to be won,
Marks off each number in the row,
Then you can call out
"BINGO"

I would like to say a big thank you to all the people who supported the "Bingo" on Saturday night, including our visitors from Settlers. All 53 of you made it an enjoyable evening and congratulations to Pat Gill on winning the jackpot Prize.

Thank you to the Management and Resident Committee for their generous donations to help make the evening a huge success.

Special thanks to the Bingo Team for their help in setting up and organizing the "Bingo" Night. Looking forward to seeing you on the 7th October, 2023 which is the next "Bingo" Night.

Gordon

Bingo

As an attendee at Saturday night's bingo, I would like to say what a great night it was. The callers were clear and easy to understand. It was a wonderful evening of fun, hilarity, and lots of great prizes. Come along next time for a great night's entertainment.

Robin

UPGRADING THE POOL AREA

On behalf of the pool users – whether they swim, walk, hop, exercise, float or just soak in the spa pool.

Many thanks to Marika and Robyn for their thoughts and flair in furnishing the poolside – the couch, the cushions, the throw, the flowers. It really makes a much more attractive and comfortable environment. And, there is more to come!

Many thanks to David – our in house wood artist – for making such a good looking and functional container for “the noodles”. Sure beats the black plastic rubbish bin!

Many thanks to Jill for banishing the “working equipment” to its rightful home, rearranging the plants and starting the upgrade process. (It won’t happen overnight – but it will happen)

At the risk of losing my enjoyment of the peaceful atmosphere of the pool – I am surprised that more residents are not enjoying this facility. With the new furniture, just sitting would be a relaxing and sometimes entertaining experience.

What is next? Cocktails by the pool (with the little umbrellas of course), swim suit fashion parade? Nah! Let’s not get carried away.

Suggestion from Resident

For residents who are interested in recycling reusable plastic containers for takeaway food. They are welcome to bring their plastic containers for the takeaways from the café, only if they remember.

Volunteer Driver Required

We are looking for a volunteer driver to drive the village bus to Morning Melodies at the Bruce Mason Centre on Monday 9th October, leaving the Lodge at 9.45am and returning at 12.30pm.

Please contact reception if you are able to help.

The All Black’s next World cup match will be screened on the big TV in the lounge.

- Saturday 16th September - All Backs v Namibia. From 8-30am.

Please don’t try to activate the Sky channel before the matches. Someone who knows how to find the appropriate Sky channel will see that it is operating before the start of each match.

This week again what comes next?

The psychiatrist told him he had bed phobia and was treating him at \$100 a visit. After a year of treatment, and the loss of a small fortune, he told the psychiatrist he wasn't coming back again. "I had a talk to the barman at my local and he solved my problem," he said. "Oh and what did this knowledgeable person prescribe?" sneered the psychiatrist. "He came around to my place and sawed the legs off my bed," was the reply.

Driving Miss Daisy for Total Mobility card holder:

The subsidy is currently 75% per trip, to a maximum of \$60 per trip, which could really be beneficial to the residents of Fairview.

If you or a family member can no longer drive or has a medical condition preventing safe travel on public transport, I also included information about the Total Mobility card from Auckland Transport to get a 50% subsidy on taxi fares, to a maximum of \$40 per trip.

It is a credit card sized card with a photo on it – not to be mistaken with the parking permit.

Apply for a 1/2 price Taxi card through various organisations for example: Age Concern, Stroke Foundation, Blind Foundation, Parkinson's Foundation, CCS Disability Action or Disabled Citizens (DCS), etc. They come to your house to do the assessment—no need to arrange transport to get the assessment done. It is also not means tested—purely based on medical condition that prevents you from safely taking public transport. If you have a walker or struggle to walk far, and don't have a bus stop close to home, you are most likely eligible. Contact Age Concern: 177 Shakespeare Rd, Milford, Phone 09 489 4975 or email ageconcern@ageconak.org.nz they will ask you a few questions over the phone and then send someone to you. Please ask to speak to someone about an assessment for a Total Mobility Card.

You can also apply with Auckland Transport directly: contact the AT Contact Centre 09 366 6400 or email TotalMobility@at.govt.nz

Total Mobility scheme

The Total Mobility scheme is a national scheme that assists people with impairments to enhance their community participation by accessing appropriate transport. This assistance is provided to eligible registered individuals in the form of subsidised door-to-door transport services wherever Total Mobility transport providers (usually taxis) operate.

Fare discount with your Total Mobility Photo Identification (ID) Card

The Total Mobility scheme offers registered individuals a 50 per cent discount (up to a maximum subsidy of \$40 in the Auckland region) on fares charged by contracted transport providers. To receive the discount, the individual must present their Total Mobility Photo Identification (ID) Card to the driver at the start of the trip so the correct tariff is selected for fare calculation. The individual is then required to have their Total Mobility Photo ID Card swiped at the end of the trip, and pay their portion of the fare to the transport provider.

Total Mobility scheme eligibility

The Total Mobility Scheme is designed to assist qualifying Auckland residents/ratepayers. The eligibility assessment identifies whether a person has an impairment that prevents him/her undertaking any one or more of the following components of a journey unaccompanied, on a bus, train or ferry, in a safe and dignified manner:

- Getting to the place from where the transport departs
- Getting on to the transport
- Riding securely
- Getting off the transport
- Getting to the destination.

If a person has an impairment that prevents them from being able to undertake any one of the specified components of a journey, they are eligible for the Total Mobility scheme.

An impairment may be psychological, psychiatric, physical, neurological, intellectual, sensory or other. It is not the impairment itself that determines eligibility for Total Mobility – rather, it is the effect that the impairment has on the individual's ability to undertake the components of the journey.

It should be noted that people whose impairment has lasted, or is expected to last, less than six months are not eligible for the Total Mobility scheme. This includes, for example, a person with a broken leg who is expected to recover within six months.

More information available here: <https://www.transport.govt.nz/land/the-total-mobility-scheme/>
Driving Miss Daisy gladly accepts these Total Mobility cards to enable people to be independent.
