Christmas' Decorating Competition

It is so exciting to see all the doors and mailboxes decorated! There is still time for residents to join our 'best decorated apartment door' or 'best decorated villa mailbox' contest. Residents can vote for their favorite ones from now until Wednesday 20th December. A list of participating villas and apartments is in this newsletter so you can check them out while walking around the Village. There will be a prize for both winners which will be announced on Thursday 21st December. If you are participating in this project, please let us know at reception so we can add your name to our list.

Rubbish Management for Apartments

Unfortunately, we had to remove the food scraps bin on Level 3 in the Laundry Room as we were having issues with maggots in the bins. We are very sorry for the inconvenience. Food scrap bins are still available in the Laundry Level 4 outside on the balcony.

Also, please take note that our waste management contractor collects mixed recycling at once, it is not separated. Polystyrene (e.g., from packaging) is not a recycling item. You can place this in the general waste bin. We are having issues where our waste management contractor doesn't collect our recycling bins when polystyrene or other non-recycling items are in the bins.

Oil disposal for residents

Following a resident asking me about oil disposal for residents, I am pleased to confirm we can offer this service via our Kitchen team. Please bring your oil container on Wednesdays, before 12pm to Relish Café. It is compulsory for your oil container to have a secure lid and in a container that can easily be poured out into barrels from our contractor (bucket, 20L container, are generally the best).

Carpet cleaning of the Lodge Lounge Friday 8th December

Please take note that our contractor will be in the Lodge Lounge on Friday 8th December to clean the carpet. Their staff will be moving furniture as they clean each area of the lounge and dining room.

Residents' monthly birthdays morning tea Friday 8th December

I am looking forward to celebrating residents' December birthdays this Friday 8th December at 10am in the sunroom, with a special morning tea. Cherie has invited those residents to attend. December is my birthday month too!

Lodge Fire drill Thursday 14th December

We will be holding a Lodge Fire Drill on Thursday 14th December at 1pm and then in Fairview Care at 2pm. You are welcome to attend the Fire Drill and "evacuate" your apartment if the fire is in your fire zone, but you can also carry on with your activities in your unit if this is what you prefer. A staff member may knock on your door if the fire drill takes place in your fire zone.

Christmas Lunch – Mon 25th December

On Christmas Day, we will be offering a special lunch in the Lodge and will open the Café for this event only. If you are interested, please RSVP at reception. The menu is available at the end of this newsletter.

Holidays' Schedule

- Our **Relish Café** will be closed on Statutory days over the Holidays; Mon 25th and Tue 26th December, Mon 1st and Tue 2nd Jan. Dinner deliveries will be available on those days.
- The **rubbish collection** will take place on Friday 22nd December, Wednesday 27th December, Wednesday 3rd January and Monday 8th January. Our gardening team will be off over the Statutory Holidays in December and January.
- **Reception** will be closed from Saturday 23rd December to Tuesday 2nd January. Cherie will be back on Wednesday 3rd January. Please contact our Nurse on Duty if needed.
- There will be no **maintenance** requests attended to between Saturday 23rd December to Sunday 14th January. Only emergency situations will be addressed.

Increase of fees for extra services from 1st January 2024

Due to increased costs and wages, the prices for the services below will increase from next year:

- Housekeeping – from \$39 per hour
- Miscellaneous chargeable maintenance or gardening requests - from \$39 per hour.
- Lodge power rate will be raising to 20 cents per Kw.

Have a lovely weekend everyone! I will be hosting our first Christmas barbecue with friends this weekend if the weather is good. Looking forward to it! In the meantime, enjoy some photos of Mia in the Village earlier this week.

Nurses' Corner

Giddy team,

Welcome back to another week of the Nurses Corner.

I thought since it has been in the news lately, regarding drownings in retirement village pools (none here thank goodness), I would begin this with mentioning some of the safety initiatives which we encourage around the pool and gym area.

- We have the pool pendant wristwatch and is hung on the entrance into the pool (picture attached). Please be aware that it is water resistant, but not completely waterproof.
- I would suggest if you felt comfortable without it on your wrist and instead placing it on an easily reached portion of the pool floor out of the water that may help with its longevity.
- I would always recommend swimming with a friend if you felt uncomfortable or coming along to our supervised aqua aerobics class on a Friday with Libby.
- We also have a similar pendant for in the gym.

QUIZ NIGHT – Sunday 17 December 2023

The last Quiz Night for 2023 will be held on Sunday 17 December.

The Future Inmates did not make it to our November Quiz Night due to their leader thinking he could be an Olympic gymnast and breaking a bone in each heel as he dismounted the rings. He was wearing two moon boots and was confined to a wheelchair. We are pleased to note he is making a rapid recovery. **The Mixed Nuts** reasserted their superiority coming first with 60 points out of a possible 70. **The Palms** came second with 55 and the **Secret Squirrels** were third with 50. **The Iris Watches** earned the opportunity to choose a topic for the December Quiz by bringing up the rear.

Their choice is **Inventers and Inventions**

The December Quiz Night will begin at 7.00pm and quizzers will be home by 8.45. Why not give it a go? You can expect an entertaining evening of fun and laughter. Bring a bottle of wine and some nibbles. The cost is \$2 per quizzer with cash prizes for the winners. Being the final night for 2023, there will also be bonus prizes for annual performances.

The December Topics are **General Knowledge 1, Christmas Carols, Inventors and Inventions, Kings and Queens of England, Movies Based on Books and General Knowledge 2.**

We look forward to your company.

Joke of the Week

Laughter Lines

Points to Ponder:

1. Someday we older folks will be using cursive writing as a secret code!
2. If you haven't grown up by age 50, you don't have to.
3. The idea is to die young.....as late as possible.
4. Man at the hotel counter: "Hi, I've forgotten what room I'm in." Receptionist: "No problem. Sir. This is called 'The Lobby'."
5. I told him I wanted to walk down the aisle. He gave me a shopping list.

Two priests were stopped by a police officer for speeding on a motorbike. "What's the idea?" the police officer demands. "You could have a bad accident going as fast as that." One of the priests pats the officer reassuringly on the arm. "Don't alarm yourself, my son, Jesus is with us." The police officer gets out his notebook. "In that case, I'll have to book you. You can't have three people on a motorbike."

Doctor: I'm sorry to tell you you're dying." Patient: "How long have I got?" Doctor: Ten..... Patient: Ten what? Ten months? Ten weeks? Doctor: Ten, nine, eight, seven.....

An American tourist was visiting a country pub in Eketahuna and got talking to an old codger at the bar. "And have you lived here all your life, sir?" asked the American. "Not yet." replied the old codger.

Two inexperienced yachtsmen were storm-tossed on the Atlantic, headed for New York harbour. One turned from the chart table to the other and said, "I think you ought to take off your hat." "Why?" answered his worried shipmate "Because," replied the amateur navigator, "according to my calculations we're inside St Patrick's Cathedral by the Vestry."

"I don't mind people in the congregation looking at their watches during my sermons," said the Vicar, "but it is damned disconcerting to see them take them off and shake them to see if they've stopped."

A bit of Trivia:

1. It only snows about five cm per year over most of Antarctica.
2. Male cockatoos can be taught to speak, but females can only chirp and sing.
3. Candles burn more slowly and with less dripping, if they are placed in the freezer for an hour before using.
4. An effective way to sharpen a sewing machine needle is to stitch through a piece of Sandpaper

Five Signs You've Chosen a "No Frills" Airline: **1.** All the Insurance machines in the terminal have sold out. **2.** All the planes have both a bathroom and a Chapel. **3.** You ask the pilot how often their planes crash. He replies "Only once." **4.** You can't board the plane unless you have the exact change. **5.** You see a man with a gun, but he is demanding to be let off.

The Funny Side of Marriage...Again: **1.** I hate housework! You make the beds, you do the dishes – and six months later you have to start all over again - *Joan Rivers*. **2.** Ours is an old fashioned family; my husband, the children, and I all have the same phone number – *Jean H Marvin*. **3.** Nine words often heard on second honeymoons: "What do you think the kids are doing now." – *Linda Fiterman*.

And finally: First man: "Do you drink to excess?" Second man: "I'll drink to anything."

- Fish bones and scraps, including shellfish shells.
- Eggshells, nut shells and coconut husks.

- Disposable food containers (including compostable items).
- Food wrapping, including cling film, waxed paper or aluminum foil.
- Cloth and clothing.
- Nappies and sanitary products.
- Pet waste.
- Liquids or chemicals.
- Cigarette butts.
- Soil or rocks.
- Garden waste like weeds, lawn clippings or hedge trimmings.

What to do on rubbish collection day?

Villa residents

Please place your green food scrap bin by the side of the road, next to your rubbish and recycling, every Monday morning for the gardening team to collect. Please ensure that your pink liner bags are tied inside. Leave the handle up to lock the bin lid in place and also make it easy for the collector to pick the bin up - if the handle doesn't lock properly, try pressing down on the lid.

Apartment residents

Please place your tied pink food scrap liners in the small green food scrap bin in the laundry room on Level 4. They will be collected every morning Monday to Friday. We recommend emptying your caddy daily or freezing your food scraps before placing them in the food scrap bin.

Our tips

- Compulsory pink liners are to be used in your kitchen caddy at Fairview as the rubbish collection is done by our gardeners and will help them to keep things tidy.
- You can freeze your food scraps until collection day to avoid any insects.
- Use paper to line your kitchen caddy to help soak up any liquids.
- Leave your kitchen caddy in the kitchen - do not take it out for collection.
- We recommend cleaning your kitchen caddy and green bin weekly.
- If you don't use your kitchen caddy or green bin, please store it safely in your unit. Each bin belongs to the unit and is to be left on termination.
