For those residents that did not manage to attend the meeting, we have copies of the presentation that can be collected at Reception.

## Health and Wellbeing Corner

In the world we live in, I feel it has become **at times** very orientated to the ladies, how times have changed, but saw this giggle and thought I'd share it with you all...

### ***"A Mans view" ...***

Please note ... these are all numbered "1" ON PURPOSE

- 1, Learn to work the toilet seat, You're a big girl. If it's up put it down, we need it up, you need it down. You don't hear us complaining its down.
- 1, Saturday = Sports, it's like the full moon or the changing of the tides. Let it be.
- 1, Shopping is NOT a sport, and no we are never going to think it of that way.
- 1, Crying is blackmail.
- 1, Ask for what you want. Let us be clear on this one:
  - Stuble hints don't work.
  - Strong hints don't work.
  - Obvious hints don't work.....JUST SAY IT.
- 1, YES and NO are perfectly acceptable answers to almost every question.
- 1, Whenever possible, please say whatever you have to say during TV commercials.
- 1, All men see in only 16 colours, like a window default setting. Peach for example is a fruit not a colour. Pumpkin is also a fruit. We have no idea what mauve is?
- 1, If it itches, it will be scratched. We do that.
- 1, If you ask a question, you don't want the answer, expect an answer you don't want to hear.
- 1, If we ask what is wrong and you say "nothing" we will act like nothing is wrong. We know you are lying but it is just not worth the hassle.
- 1, When you have to go somewhere, absolutely anything you wear is fine ... really.
- 1, Don't ask us what we are thinking about unless you are prepared to discuss such topics as:
  - Sex
  - Sport
  - Cars
  - Computers.
- 1, You have enough clothes
- 1, You have too many shoes.
- 1, I am in shape, round is a shape.
- 1, Come to us with a problem only if you want help solving it. That's what we do, sympathy is what your girlfriends are for.
- 1, A headache that last 17 months is a problem. See your doctor.

On a final note, from myself, I don't agree with some of these things, shopping is a sport, men can have theirs but this is mine, and I will never have enough clothes or shoes. A lady must always feel beautiful.

### ***Upcoming Events:***

**July 12 10.30am Podiatry how to care for our feet.**

During the month of August next month, Julia and I will be coming around testing all pendants and call bell alarms in villas and apartments.

***Wishing you a week filled with health, happiness, and vitality!***

Maria and the nursing team

## Encouraging wax-eyes into our garden

We mix up cheap margarine spread with large oats so the oats will hang together, then place it in the freezer until it is solid. We then place the solid mix into a plastic mesh bag from the green grocers.

We have hung it into the tree outside our dining room. The wax eyes just flock to it, over 12 at a time often six on the bag and six in the queue we also have a half of a small apple.

The antics of the groups make it well worthwhile and contents of the bag will disappear quite quickly.

The sparrows can't work out how to get the mix.

## Thank you

Elf Clive has been busy making another bench seat halfway down the path to Barbara's Garden! What a great idea for those who struggle a little going down/up the path there. A place to contemplate and catch your breath. Especially as Spring arrives and the Kowhai are making a lovely statement. Thank you Clive another great job and asset to the best Village there is.

Much appreciated.

Barbara

## Greeting Cards

Oh no not another price increase! Sorry, but yes, after 5 years of keeping the price at \$3, I am having to now increase to \$4, due to cost increases in ink, card, paper and envelopes.

I would like to thank everyone for their support over the years.

Daphne

## Pohutukawa Singers - July 2024 concerts postponed

## LAUGHTER LINES

Ponder This:

1. If a bottle of poison reaches its expiration date, is it more poisonous or is it no longer poisonous?
2. Which letter is silent in the word "Scent", the S or the C?
3. Do twins ever realise that one of them was unplanned?
4. Every time you clean something, you just make something else dirty.
5. The word "swims" upside down is still "swims."
6. Over 100 years ago everyone owned a horse and only the rich had cars. Today everybody has cars and only the rich own horses.
7. Why is there a 'D' in fridge, but not in refrigerator?
8. As I have grown older, I have learned that pleasing everybody is impossible, but upsetting everyone is a piece of cake!
9. I am responsible for what I say, not for what you think I said.
10. Common sense is like deodorant, the people who need it the most never use it.

-----  
Bill made his way unsteadily along the office corridor. He looked intently at the letters on the glass and , with narrowed eyes, turned the handle and walked in. "Ish thish Alcoholics Anonymush?" he lisped. "Yes sir," replied the receptionist, "do you wish to join?" "No," says Bill, "I want to resign!"

-----  
Two housewives were discussing the weather. Said the first, "Wow, that shower will do a lot of good; it'll bring things out of the ground. "Good gracious I hope not," said her neighbour. "I've got three husbands there!"

-----  
According to legend, Sir Harry Lauder, the famous Scots comedian, was leaving the stage door of the Alhambra Theatre in Glasgow when a woman rushed up to him, shaking a box in front of his face. "Come on Sir Harry," she beamed, "it's flag day – give till it hurts." He looked at her in horror. "Madam," he replied, "the very idea hurts."

-----  
A commercial traveller, caught up by foul weather in the Orkneys, wired his firm in Aberdeen: Marooned here by snow storm. Send instructions. The reply came back: Start summer holidays, as from yesterday.

-----  
The policeman stopped the little man who was tearing down the street and then let him go. Willy, the publican came pounding up a few minutes later. "Why didn't you stop that man?" he protested. The policeman replied, "Willy, he told me that you were racing him for the price of a drink" "I was." replied Willy, "He didn't pay for it."

-----  
Five Diet Rules for Cheaters:

1. If you drink a diet coke with a chocolate bar, the diet coke cancels out the calories in the chocolate bar.
2. Food used for medicinal purposes never counts, such as hot chocolate, brandy, toast and A Sara Lee chocolate cheese-cake.
3. If you eat something and no one sees you eat it, it has no calories.
4. When you eat with someone else, calories don't count if you don't eat more than they do.
5. Foods that are frozen have no calories because calories are units of heat. Examples: Ice cream, sausage rolls, frozen pies and popsicles.

-----  
And finally: Why do Aussies call their beer XXXX? *Because they can't spell beer.*
