## From the Manager's desk

### Thank you to Patrick & Neil for joining our wall of fame!

I invite you to take time to read a lovely article published online via Stuff earlier this week, featuring our very own "rascals" Patrick Knell and Neil Butt. Here is the link to the article online:

If you would like to share your own unique story or think of other's stories that would be amazing to share, let us know.

### Painting of villa roofs update

Platinum Painters is scheduled to start the work at villa 138 today. Edge protection will be erected, and the repairs and painting of the roof should be completed by the end of next week. Following this, Platinum Painters will let us know next week the schedule for Stage 1 villas. We will liaise with residents in advance so you can expect when the edge protection will be set up at your villa and know when to move pots, cars or other items if need be. Please let me know if you have any questions or concerns.

### Happy Tuesday 2 for 1 dine in deals in 2025

We hope you enjoyed our last Happy Tuesday 2 for 1 dine in deal for the year. These special monthly events will resume in February 2025. For us to be able to keep our 2 for 1 offer at a low cost, we have reviewed a few points for next year.

- Bookings will be strictly limited to 76 people, which is the number of seats we have daily in the dining room without having to move tables and adding chairs. Otherwise, we have been needing to get our gardeners involved for the room set up which occurs additional cost to our event.
- Bookings and payments will be done at Reception.
- There will be no seating plan or tables reserved. Residents who come first can choose their preferred table. Booking sheet will be to take names and payments only.
- We will specify when the bookings are opening (date and time) to ensure everyone has the same chance to book. Residents will be able to put their name down on our waiting list if fully booked.

### NZ Post update

Please take note that delivery days have changed to Monday, Wednesday and Friday.

### Reminder for the Swimming Pool

A kind reminder to ask residents to keep the doors and windows closed in the swimming pool area. When open, condensation is created and windows/doors are needing to be cleaned more regularly due to streaks, as well as letting bugs in and having cobwebs inside and outside. The swimming pool area is heated to a certain temperature to keep the swimming pool at a certain temperature, not affecting peaks in electricity demand trying to heat the room and the pool otherwise. We also recommend wearing jandals when walking in the pool area and in the changing room for your own personal hygiene.

### Reminder when ordering taxis

When booking a taxi, please ensure you mention your villa or apartment number, or to meet at the Lodge. We have had recent situations where the taxi drivers did not pick up residents on time as they were looking around the village or waiting outside villa 21. If you are waiting for a taxi which is late, you can report to reception as we sometimes are aware of a taxi waiting somewhere but we don't know for who, or vice versa.

### Reminder Gardening & Maintenance areas

A kind reminder that our gardening and maintenance areas in the garage level 1 are for staff only. If you would like to contact our staff, please lodge a request at reception.

Our traditional Santa's Lunch will take place on Christmas Day Wednesday 25<sup>th</sup> December. A 3-course meal available for residents and families at a cost of \$35/person. Please pay and book at reception. Refer to the menu flyer.

### **Christmas decor in the Village**

This year again, we would love residents to get creative and decorate their apartment doors or villa letter boxes! Get your friends and families involved, and let's make our Village truly festive. Don't hold back, let your inner artist shine! I'll be decorating my door, too, and I can't wait to see what everyone comes up with. ## Health and Wellbeing Corner

Afternoon all,

Well as you read this newsletter, I will be at the airport ready to board my international flight to Hawaii, all by myself, a well-deserved break that I'm really excited about. But while I'm away, once again you will be in the very capable hands of Nurse Catharina. So please all behave without injuries and see you all back here on 25 November.

**Tomorrow Friday at 10.30am** we are having the local police officer Simon Fox coming to talk about staying safe over the Christmas period and being wise as sadly people pry on the aged and vulnerable people, so please try and pop along you may just learn something new.

### **Staying Safe from Scams and Opportunists During the Holiday Season**

As we enter the festive season, it's a joyful time filled with gatherings, giving, and celebrations. Unfortunately, it's also a time when scammers and opportunists try to take advantage of the holiday spirit. Whether it's online fraud, phone scams, or doorstep trickery, these individuals often prey on the goodwill of others, particularly during the busy holiday period. Being aware of common scams and staying vigilant can help us enjoy a safe and peaceful season.

### **Common Scams to Watch Out For**

**Phone Scams:** Callers might pretend to be from trusted companies (like banks or power companies) and ask for personal information. Remember, reputable companies will never request sensitive information over the phone.

**Online Scams:** Watch out for emails or websites that look like familiar retailers but ask for unusual information. Always go directly to the official website rather than clicking on links in unsolicited emails.

**Doorstep Scammers:** Some individuals may appear at the door posing as charity workers or salespeople. If you're not expecting anyone, it's safest to politely decline any offers and avoid giving out any personal information.

### **Tips for Staying Safe**

**Be Cautious with Personal Information:** Never share sensitive information (such as your bank details or identity number) over the phone, in emails, or with people you don't know personally.

**Verify Before Trusting:** If you receive a call or message that seems suspicious, take a moment to verify. Call the organization directly using an official phone number or contact a family member or friend for a second opinion.

**Secure Your Home:** Opportunistic robbers may take advantage of unlocked doors or windows. Be sure to lock up when leaving or before going to bed.

**Be Mindful of "Too Good to Be True" Deals:** Scammers often use offers that sound amazing to lure people into sharing payment information. Always check the legitimacy of any deals or sales.

### **Remember, It's OK to Say "No"**

If you ever feel pressured or unsure, it's perfectly acceptable to say no. Scammers rely on urgency and guilt to manipulate, so take a moment to breathe and remember you have the right to protect yourself and your information.

By staying aware and cautious, we can enjoy the holiday season with peace of mind, knowing we've taken steps to protect ourselves from those who might want to take advantage. Let's all look out for one another, if you come across anything that seems suspicious or have questions, feel free to reach out for assistance.

Please reach out for advice and medical assistance day and night from our nursing team, we are here to support you.

### **Upcoming event:**

Local Police Officer Simon Fox coming to talk about keeping safe over the Christmas holiday period November 15<sup>th</sup> at 10.30am.

### QUIZ NIGHT – Sunday 24 November 2024

The October Quiz Night saw the Mixed Nuts continue on their winning way with an amazing 67 points out of a possible 70. That is 95.7%. The Iris Watches were second with 64 points, which would have been a winning score on most nights and the Palms were third with 59. The Secret Squirrels earned the right to choose a topic in November with 56 points.

The questions were obviously too easy with such high scores. The topics were **General Knowledge 1, Royalty, General Knowledge 3, The Bible, Castles** and **General Knowledge 2**

The Secret Squirrels choice for November was Christmas.

Consequently, the November questions will be on: **General Knowledge 1, Science, Christmas, Comedians, Geography** and **General Knowledge 2**. The first question is asked at 7.00pm and quizzers are home by 8.45, so why not give it a go? You can expect an entertaining evening of fun and laughter. Bring a bottle of wine and some nibbles. The cost is \$2 per quizzers with cash prizes for the winners.

As the final night for 2024, our Annual Prizegiving will round out the evening.

We will see you there!
