

The Village News

From the CEO

Dear Residents,

As we approach the end of another year, I wanted to take a moment to reflect on the wonderful moments we've shared and the strength we've shown as a community.

This year has been filled with laughter, new friendships, and countless memories that we will cherish for years to come.

Your resilience and positivity have been truly inspiring. Whether it was participating in our various activities, supporting one another, or simply sharing a smile, each of you has contributed to making our village a warm and welcoming place.

As we look forward to the new year, let's continue to support and uplift each other. May the coming year bring you good health, happiness, and many more joyful moments.

Thank you for being such an integral part of our community. Wishing you and your loved ones a wonderful holiday season and a happy, prosperous New Year!

Warm regards,
Terry Middlemost

From the Manager's desk

My last day today, thank you from the bottom of my heart

Today is my last day and I want to thank everyone for your kindness and generosity. Fairview is a truly special community and village. Baby and I have been so spoilt, and our team as well, with a lot of Christmas treats. We have already started gaining weight with all the sweets received (that's my excuse anyway!).

It will be a busy end of year for me and my family; Christmas, my 40th birthday on 27th December, which is also my due date - but I wish it to be a week later on 3rd January 2025, even though I will have no control on this! My mom will be arriving at the end of January for a couple of months, and I hope to be able to pop in to see you then. I will be sending Cherie a photo of our baby boy so you can get to meet him via the newsletter next year.

As the holiday season arrives, I want to wish you all a Merry Christmas and a Happy New Year! This time of year, reminds us of the joy and importance of a community, as well as the warmth of friendship. May this festive season bring you peace, happiness, surrounded by loved ones and cherished moments. Thank you for making Fairview such a vibrant place to be part of, and I look forward to seeing you all later in 2025.

Covid update

A few residents have had Covid in the Village over the last 2 weeks, and we understand how challenging this can be for you. Some residents were asking me if village events and Happy Hours would still be taking place, which I confirm that they are. We ask for everyone to be responsible, stay home if feeling unwell, having testing kits, and please let us know if you are positive so we can support you.

Welcome to new residents

It has been busy with us welcoming 6 new residents in the last 2 weeks! Pop in to introduce yourself to them and wishing them a very 1st Merry Christmas with us at Fairview. Welcome home everyone!

Respecting and Supporting People with Disabilities

At Fairview, we are a community built on kindness, understanding, and respect for one another. It's important to remember that not all disabilities are visible, and we may not always know the challenges someone is facing. Disabilities can include hearing loss, eyesight impairment, mobility issues, speech difficulties, or cognitive challenges, among others.

A Gentle Reminder: Not All Disabilities Are Visible

Sometimes, we may interact with someone who struggles to hear, see, or speak clearly, and it's easy to become frustrated without realizing what they may be experiencing. Before making assumptions, take a moment to pause, show patience, and be understanding. No one should have to explain their situation to complete strangers.

How We Can Be Supportive

- **Be Patient:** If someone doesn't respond right away, it may be due to hearing loss, speech difficulty, or cognitive delays. Give them time and remain calm.
- **Speak Clearly, Not Loudly:** If someone has hearing impairment, raising your voice may not help. Speak clearly, slowly, and face them so they can see your mouth.
- **Be Considerate:** If someone doesn't understand you, don't walk away muttering that they're "stupid" or dismissing them. Perhaps they are deaf, visually impaired, or struggling with speech—situations that require compassion, not judgment.
- **Offer Help Without Assumption:** If you see someone struggling, kindly offer help but don't assume what they need. Respect their dignity and choice.

How Would You Feel?

Take a moment to reflect: How would you feel if you weren't welcomed, dismissed, or made to feel "different" in your own community? A little kindness goes a long way. We all deserve to feel included, respected, and understood.

Always Be Kind and Humble

The golden rule remains treat others how you would like to be treated. Be open-minded and supportive, and never underestimate the impact of a smile, a kind word, or a little extra patience.

At Fairview, let's continue to build an environment where everyone feels welcome, valued, and cared for—regardless of ability or circumstance. After all, kindness costs nothing but means everything.

Residents' Notices

Len Hancy – The Fairview Singers

It is now coming up to 13 years, since I took over the running of the Fairview Singers. I feel I have done my dash and it's time to call it a day. Although there seems to be no obvious successor, hopefully, someone in the Village will be prepared to take on the role. If so, I would give them every support and help going forward.

It has been a major joy of my time in Fairview, and I have made many friends during this time. My love of music and singing has enabled me to encourage many to do what they would never dream of. Over the years there have been some wonderful shows and performances, that I know are cherished. So, hopefully someone out there will be prepared to take the reins.

My regards, to all the current and past members of the Fairview Singers and thank you for all your help and support.

GARETH'S PUZZLE

Easier this week?

Last week's puzzles were:

1) A travel agent receives 54 bookings for Lanzarote, 22 for Bali, 34 for Jamaica and 43 for Florida. How many did she get for Ibiza?

2) Mike is driving a bus. He picks up his first 5 passengers at the first stop. At the next stop, 2 get off and 9 get on. 3 passengers get off at the next stop. At the last stop 4 more people get on. How many people are now on the bus?

3) What are these expressions:

Hay	HOLD	.
Hay	60 Seconds	2.
Hay		3. BLAME BLAME
Hay		4.
Hay		5.

And the answers are:

- 1) 23 No. of consonants followed by no. of vowels)
- 2) 14 (Don't forget the driver!)
- 3) Haystack , Hold on a minute , None to blame.

This week:

- 1) If I removed every third word in this sentence, what would be the third to last word of the sentence?
- 2) How many words had to change in the British National anthem when Charles became King?
- 3) What 2 same letters can be added to the front of these tword to make new words? CAR ABLE

BUG DOCTOR

Hello again Fairview Lifestylers

Peter, that's me, the Bug Doctor will be treating villas and apartments from Monday 2nd December onwards.

Villas \$115.00 and Apartments \$75.00.

The village gets a great discount (villas 40% and apartments 35% off) compared to the outside world. For those of you that haven't experienced this non-smelling, clear to re-enter in one hour, 6 months guarantee, lasts for a year treatment – then ask your neighbors. I've been in the village for at least 17-18 years and still have my customers on board.

Cheers, Peter.
