“I heard it through the grapevine”

This song was originally recorded by Gladys Knight and the Pips but then really became a hit when Marvin Gaye recorded it as a soul classic. A fabulous song about hearing something through someone else. Our village appears to have an overactive ‘grapevine’ at the moment with a variety of rumours floating around including that we are installing more cameras (with some interesting reasons why) and the latest one that my role here is permanent and not for maternity cover. I would like to assure all residents that these rumours are somehow fabricated and have no truth behind them. I would also like to request that if you hear something that you are not sure on, please come and see me rather than engaging with others, as the further spread can be unsettling for many residents and that is the last thing that we want to happen.

Painting villa roofs

The villa roof program continues as per the below schedule of works. Please note the guidance about parking of vehicles. Whilst all care is taken, with the wind it is likely that there will be overspray so vehicles should be parked in garages. Please advise any visitors of the same to prevent any issues. You will note that the contractors will be moving across to Villas 3, 4 and 5 tomorrow to commence the installation of the edge protection. **When the team are spraying Villas 3, 4 and 5 the top carpark will need to be clear.**

Residents Bar

Due to unforeseen circumstances the bar unfortunately needs to remain closed at this time. We are working closely with your bar committee and the Auckland council to try and resolve this issue as soon as we can. In the meantime, the Friday night raffles will still be happening as normal and the lounge area will operate on a BYO – Bring Your Own basis, so you can still enjoy the social activity and interaction that is so important.

Open Day

Thank you to our team of ambassador residents for their help on Open Day and to all residents who made our guests feel welcome.

Croquet Green

We will be closing the Croquet Green this weekend to complete the seasonal maintenance. There is an extensive amount of work that Wesley and the team need to do to ensure that the residents have a quality green to enjoy. We will keep you updated on progress with the timings of when it will be open for play again.

Hot Tub

Our contractor has started the repair process this week and has replaced some of the valves and pump required. We are just waiting on an update on progress and would hope to have this back up and running early to mid-next week. We will advise through the morning email when this is ready to use.

Residents' birthday morning tea

We will be having this month's residents' birthday morning tea on Friday 21st February at 10.00am in the main lounge. I look forward to the opportunity of meeting with those residents celebrating their special day this month.

Welcome to new residents' morning tea – Friday 28th February at 11am

We are inviting residents who have moved into the village over the last six months to join us for a belated 'welcome home' high tea in the Lounge on Friday 28th February at 11am. Personal invites have been sent. Please RSVP at reception.

Village Charges

We are currently reviewing the charges for housekeeping, personal maintenance requests and café pricing. As you will no doubt be fully aware the cost of food in your shopping basket continues to rise for everyone and we are no different with increases coming through from all our suppliers. Adjustments to these charges, if any, will be made from the 1st of April.

We would also like to advise that if you require set up and breakdown of crockery etc for private functions in the sunroom or other spaces outside the lounge then a nominal charge will be applicable. If you order catering through the kitchen for these events, then this is all included in the pricing.

Upcoming Events

- Residents' monthly birthday morning tea – Friday 21st February 10am
- Happy Tuesday 2 for 1 dine-in deal – Tuesday 25th February 6pm

From the Chef's Oven

Fairview residents enjoyed a delightful evening of great food and good company at this year's Valentine's dinner. The beautifully crafted three-course meal was a highlight, with a menu designed to impress.

Guests started with Mediterranean crostini's, followed by a choice of poached salmon with prosciutto sauce or Guinness beef medallions for the main course. But the real showstopper of the night was dessert—a strawberry mousse elegantly served in a wine glass, which left everyone amazed.

To add to the sweet celebrations, Valentine's cupcakes were also available in the café, ensuring there was something special for everyone to enjoy.

Whether it's a savoury bite to start the meal or a sweet treat to end it, her creations are a hit with every resident. Her talents don't stop there—Monica also plays a key role in supporting both the café and hospital care sections, stepping in to relieve the chef when needed, ensuring everything runs smoothly behind the scenes.
