EV Policy

We have arranged for the installer of the EV charging system to come to the village on Tuesday the 8th of April at 1.00pm to answer any questions and talk about the facility that will be in place. If you have specific concerns about the charger's capabilities, please submit them in writing so we can compile a Q&A document to address these queries.

Additionally, please return your completed EV Policy form to reception as soon as possible. If you do not own a vehicle, kindly indicate "no vehicle" on the form.

Thank you to all those who have already returned their EV Policy forms.

Security in the Village

We would like to remind residents about personal security. It is recommended that you lock your doors when you leave your apartment or villa, whilst we have controlled access to some areas in the main community centre if someone wants to get in they will.

Village Fire drill – Evacuation

On Tuesday the 25th of March we will be conducting a trial evacuation as is required under our evacuation scheme. We will provide more details on this in the coming newsletters.

Painting villa roofs

The villa roof program continues as per the below schedule of works. Please note the guidance about parking of vehicles. Whilst all care is taken, with the wind it is likely that there will be overspray so vehicles should be parked in garages. Please advise any visitors of the same to prevent any issues. You will note that the contractors will be moving across to Villas 6, 7 and 8 next week with the installation of the edge protection. **When the team are spraying Villas 3, 4 and 5 the top carpark will need to be clear. This car park will be able to be used again from this weekend.**

Health and Wellbeing Corner

As the leaves begin to turn and the air becomes cooler, we welcome the arrival of **Autumn**. With the change in season comes a shift in temperatures, making it important to be mindful of our health and wellbeing. But with that we are seeing some with cold and sniffles out there already. With the change in season

Stay Warm & Prevent Seasonal Illness

As the days grow shorter and the mornings and evenings become cooler, it's important to dress appropriately. Layering up with warm clothing, keeping a blanket handy, and ensuring your home is well-heated can help prevent chills that may lead to colds and flu.

Cold & Flu Awareness

With the seasonal change, cases of colds and flu tend to rise. While some illnesses are mild, others can develop into more serious infections. To **protect yourself and others**:

- ✓ **Wash your hands regularly** to prevent the spread of germs.
- ✓ **Keep your immune system strong** by eating a balanced diet with plenty of fruit and vegetables.
- ✓ **Stay hydrated**—drinking enough water is just as important in cooler weather.
- ✓ **Get your flu vaccination**—if you haven't already, speak to the nurse or your GP about protecting yourself.

Listen to Your Body

If you begin to feel **unwell, fatigued, or develop a cough, fever, or body aches**, please take care and **rest**. If you are feeling unwell, avoid social gatherings and reach out to a nurse or your GP for advice.

With the air becoming drier, our **skin can also suffer** in autumn. So, Men and Ladies it is very important to daily moisturise your skin to keep it hydrated and helping the prevention of skin tears, especially as we start to wear long sleeves and jackets again.

Stay Active & Social

We are still having warm days, but the colder weather is coming, it may make us want to stay indoors, but it's important to keep moving and stay engaged with others. Join indoor activities, enjoy a puzzle, or attend a village event to keep your mind and body active!

Let's welcome Autumn with good health and positive habits. Stay well, look after each other, and enjoy the beauty of the changing season!

I have booked in for the **FLU VACCINATIONS** to be administered here again this year on Thursday 3rd April from 2pm onwards. A schedule of surnames will be posted the week before, so you know what time to attend. Please collect a consent form and fact sheet from the table at reception, by the newsletters, and return to the nurse or reception no later than **Thursday 27th March**.

I would also like to put in a reminder about the use of our great **emergency alarms** we have in our Villas and Apartments. These are to be used for any medical concerns day or night as we have nurses available to assist you 24 hours a day. They are not to be used to call if you can't find your TV remote or if your phone is not working. If the nurses receive an emergency alarm we drop and run to assist your needs.

Welcome High Tea for New Residents

Last week's High Tea was a delightful event as we welcomed our new residents with open arms. The atmosphere was warm and inviting, filled with laughter and engaging conversations. Guests were treated to an array of favourite treats, including delicious pork sausage rolls, freshly baked scones with jam and cream, mouthwatering cupcakes, and classic club sandwiches, among other goodies. Our new residents were truly impressed by the spread and had a wonderful time mingling and getting to know one another. It was a memorable morning, and we're excited to continue creating more moments of connection and camaraderie within our community.

Staff Updates:

Meet Celeste: Our talented baker & donut Queen

Every Friday, there's one thing our residents look forward to the most – *Donut Friday!* This beloved tradition has become a staple in our Village, and it's all thanks to our talented baker, Celeste. Her scrumptious, melt-in-your-mouth donuts have become a highlight of the week, and they're always the talk of the Village. But Celeste's role doesn't stop there. She's the true definition of an all-rounder! When she's not in the kitchen baking up a storm, she's often jumping behind the till to take orders with a smile, or jumping in the barista coffee machine to craft the perfect coffee.

Celeste is always ready to lend a hand wherever she's needed, bringing an incredible energy to everything she does. Her versatility and cheerful personality make her a favourite with both our residents and fellow team members. We are incredibly lucky to have Celeste as part of our team. Her dedication, hard work, and vibrant spirit truly make a difference in our community. Thank you, Celeste, for everything you do to make *Donut Friday* so special!
