Café this week

What a fabulous week we have had this week starting on Monday with St Patrick's day with close to 120 residents enjoying the evening meal. The effort of dressing up was great to see, it was certainly a sea of green! The social committee did a fabulous job in dressing the tables and inflating the balloons, which is one of the more exhausting parts of the process.

Then today we had the pleasure of hosting the many volunteers that provide so much assistance in so many ways within the village. Without this 'army' of residents that give up their time so freely we simply wouldn't be the village we are today – So a big thank you for all you do from all the team at Fairview.

EV Policy

We would like to thank all the residents that have provided feedback since the policy has been issued. The board is meeting next week and after that any required responses will be sent out. We have arranged for the installer of the EV charging system to come to the village on Tuesday the 8th of April at 1.00pm to answer any questions and talk about the facility that will be in place. If you have specific concerns about the charger's capabilities, please submit them in writing so we can compile a Q&A document to address these queries.

Village Fire drill – Evacuation

On Tuesday the 25th of March. The fire drill will be at approximately 2.00pm. You are welcome to take part in the fire drill if you are in the fire zone at the time when the fire alarm rings.

We will not ask residents to evacuate from their apartments for the fire drill, but we may knock on your door.

Croquet Green

The croquet green needs another week or so to ensure that it takes properly. We have spoken to the convenor so that they are aware and in the coming newsletters we will advise when it is reopened and ready for play.

Painting villa roofs

The villa roof program continues as per the below schedule of works. Please note the guidance about parking of vehicles. Whilst all care is taken, with the wind it is likely that there will be overspray so vehicles should be parked in garages. Please advise any visitors of the same to prevent any issues. There is a slight change to the previous works advised last week to today and tomorrow's schedule.

Intranet access

As many residents may be aware there is a section of the Fairview website that is for residents to access for things like menus, phone books etc. We are currently doing some work in the background on this area and will shortly advise how residents can access this if they are not already aware.

Charges for services

We have reviewed our current charges and costs and will be making the following adjustments from the 1st of April 2025.

Staff charge out rates for housekeeping, maintenance and gardening for personal requests will increase from \$39.00 per hour to \$42.00 per hour.

Dinner pricing will increase from the current \$18.00 and \$20.00 to \$19.00 and \$21.00. The lunch menu will be updated in terms of price and selection; cabinet pricing will be reviewed on an individual basis.

Gary Jarvis

Health and Wellbeing Corner

Hello All,
Lovely to see so many smiling faces around the place.
Makes getting up at 0630am bearable so please keep giving.

Flu vaccinations

Thank you to those residents that have returned your forms.

A slight hiccup – some of you might prefer the non-funded vaccine which has a charge and we only sent out consents for the funded vaccine.

If you would like the non-funded vaccine then please let us know, in person or by phone so we know the right numbers on the day.

The funded vaccination is perfect for all of us. It is used for all ages over 6 months and is recommended for those over 65.

The non funded vaccine is slightly stronger in that it has an ingredient that will boost the immune response. This vaccine is for those that are more likely to get chest infections. If in doubt as to what you should receive then consult your doctor. This vaccine is usually between \$40 - \$50.

If you are prone to getting pneumonia or bacterial infections then your doctor may have advised you to get the Pneumococcal vaccination as well. This will only be available through your GP.

All vaccination sheets to be back by Friday the 28th of March. We will not be accepting any after that and unfortunately if you turn up on the day for a vaccination and you haven't signed a consent, we will not be able to accommodate you.

Vaccines must be strictly monitored for temperature, so numbers must be precise when taken from a fridge and transported.

Safety

Just one that pops up from time to time and being here 24/7 the nurses are often the first responders to smoke alarms.

In an apartment - If you have set off a smoke alarm by accident while making toast or burning the steak please keep your door closed.

We do not want smoke to go into the hallway. Open all out-facing windows and sliding doors and then (flail) around with a tea towel under your smoke alarm to move the air around.

The nurse will come to you and help you. If anyone comes to see what is happening and opens the door, please ask them to shut it.

Independence

I will touch on this in more depth next week, but it was one that Mizzy the lovely head nurse at Settlers and I talked about.

Remember independence is also about asking for help before that help is too late.

To keep independent many of us need some assistance. Ageing in place – that is, the place you want to age in, is a key priority and to do that I will give some tips next week as to how we can best help ourselves.

My News

I used to write a bit about the family and so many of you have asked me how everyone is.

Number 1, 2, 3 and 4 daughters are all doing well and all have babies now. The first two grandchildren are now off to school. Number 1 daughter has just put out a podcast about how parents can help their children get a head start at school. Apparently it's all about phonics, you know that thing we all used to do many years ago in the bad old days!!

Little Erin, our little one with that extra chromosome, is sitting up by herself, although a little bit older at 8 months, any step forward we celebrate. We feel so fortunate to have her and the other little ones seem to gravitate towards her as if they realise something is a bit different but just love to visit with her. Blessed indeed.

Stay well

St. Patrick's Day

Fairview residents enjoyed a delightful evening of great food and good company at this year's St Patrick's Day. The beautifully crafted three-course meal was a highlight, with a menu designed to impress.

Gardening Update

Autumn has arrived. The cooler temperatures, shorter days, and lingering drought means the grass is barely growing. Due to this slowed growth, we are returning to our three-weekly mowing cycle for villa lawns. However, we will mow Margaret Drive and the common areas this week and begin selectively targeting the paspalum grass, which has proliferated over summer, from next week.

To our croquet players, while we have successfully reseeded the green, it is unlikely to be ready next week due to the lingering bare patches. Thus, I will be postponing the croquet opening date to the 7th of April, by which time the green will be uniformly covered and the grass firmly established. Your patience is much appreciated.

Wesley and the Team.

FINANCIAL POSITION

The balance in the account as at 10 March 2025 is \$11,184.55.

GENERAL

- **House and Grounds:**
Gary was thanked for his prompt attendance to last month's issues but it was noted the pavement access by the pedestrian crossing at Beech/Margaret has still not been addressed. There are further lights recorded as not working.
- **Bar Liaison:** Following a short closure of the bar a temporary license has been granted thanks to Mark Jennins. Gary suggested the committee have a dedicated email address to ensure a similar lapse does not happen in the future.
- **A point about heat pumps and double glazing** not being standardized in every villa and apartment was raised. This matter needs to be discussed with management.
- **EV vehicles:** A question about whether installing a charger for electric vehicles would be value for money was discussed. No future residents will be allowed to bring electric vehicles to the village, and the current owners are few – and may decide not to use the village charger at extra cost.
- **The date for the Residents' Association AGM** has been set for the 6th May at 10.00 am.

THE NEXT MEETING is scheduled for Tuesday 8th April 2025, at 10.00 am in the 3rd floor card room.

DRESS CODE

It has been noticed that dress standards have been slipping at Friday Happy hours in the lodge lounge. There are standards to be maintained regarding the dress code. This means neat and tidy semi-casual attire. Shorts are permitted for men during the summer plus shirts or similar but not singlets. If unsure then your bar staff are exceptional role models.
